101 NORTH SECOND STREET
CABOT, ARKANSAS 72023
WWW.CABOTAR.GOV

Welcome to Cabot. We are thrilled that you have chosen Cabot as your new place to call home. We have wonderful people, successful schools, and a growing economy that we are proud for you to be part of now that you have chosen Cabot as your forever home.

A devastating tornado that went through the center of town in 1976 redefined Cabot and caused a total rebuild of our 100-year-old community. New housing, a new senior service center and many businesses have opened and flourished since the tornado of 1976. With the ending 2020 Census, Cabot has a population of 26,569 increasing in size since the 1970's and growing every year. We are revitalizing the downtown which will include a state-of-the-art pavilion that will compliment the new all-inclusive park and art walk located in our downtown area.

We are home of the Cabot Panthers. Cabot Public School District has 17 schools and geographically, is the 8th largest school system in the state of Arkansas. Offering many diverse programs to meet the needs of our students, the Cabot Public School District currently offers 15 sports consisting of 81 teams. We are proud of the many state championships and top honors that our students have accomplished over the years. Cabot offers a gifted and talented program and advanced placement courses to help students reach their highest potential. The school system has a wonderful special education department and pre-k program. As a Cabot Panther alumnus, I am very proud of the success and growth of our school system! GO PANTHERS!!!

We are very thankful for the many churches and civic organizations that support our community. I encourage you to visit any of our wonderful churches until you find one to call home. Our civic organizations offer many volunteer opportunities for all ages and is a way for you to become a part of our community.

We continue to work hard to bring more economic development by engaging with our existing businesses to expand job growth while attracting new businesses to our area. We are continually making improvements and have big plans for the future of Cabot. #Cabot2025

In 2021, we asked the voters in the summer to bring our infrastructure into the 21st century. Cabot's 100-Million Dollar Bond Issue passed by over 80% by the voters. Projects we are currently working on in the city includes: A Community Food Pantry, Road Overlays, Drainage Improvements, Broadband Internet, Community Multiplex, Animal Services Building, Police and Fire Training Facility, Internet Office, Youth Council, Restaurants, Hotels, a Justice Center and Police & Fire Vehicles.

I am thrilled for you to be a part of the excitement that the future holds for our community. Get plugged in. Get involved. After all, this is your HOME.

Thank you for choosing Cabot! Welcome home, my friend!

Yours truly,

Mayor Ken Kincade

The Heart of Cabot...

Small town atmosphere and great community spirit are alive and well in Cabot. An outstanding location, a thriving business community, exceptional schools, beautiful parks, vibrant neighborhoods, a low crime rate, a progressive government and community involvement are just a few of the things that touch on the heart of Cabot. Cabot is a place its citizens are proud to call home and are invested in the community's success. We welcome you to come be a part of our growing community.

Graduation Happens Here!

"The greatness of a community is most accurately measured by the compassionate actions of its members."

- Coretta Scott King

10 REASONS

TO JOIN THE *Chamber of Commerce*

1 CONNECTIVITY

We initiate more business-to-business commerce, more opportunities for networking and connecting local professionals than available from regional organizations. The mission of the Chamber is to expand your contact list and generate more business activity for you through member connections.

2 NETWORKING

Make face-to-face connections and enhance your presence in the community by serving on a committee, attending or sponsoring a chamber event. The Cabot Chamber of Commerce hosts monthly and annual events for its members to meet and share information about your products and services.

3 CREDIBILITY

Research points out that consumers are more likely to do business with a company if the company is a member of their local chamber of commerce. You increase the positive perception among customers and businesses when you are identified as a member of the Cabot Chamber of Commerce.

4 ADVOCACY

We are the voice of businesses: advocating for businesses at the local, state, and federal levels of government.

5 LEADERSHIP

Laying the foundation for our future. Providing members with the tools and knowledge needed to take on leadership roles.

6 VISIBILITY

We assist businesses with an online presence, Chamber emails, opportunities to get your name known through events with sponsorship and advertising, Local Lunches, Morning Brews, and many other Chamber hosted events that you can attend as members.

7 IN-THE-KNOW

We keep you connected and up to date with new member businesses, grand openings, Chamber events, community events and business-to-business events. We want to create an environment for you to stay closely tied to the community you're investing in.

8 REFERRALS

Every day, your local chamber receives calls from individuals and businesses looking for potential service providers and area information. If you're a member, you're referred!

9 COMMUNITY EVENTS

Major events like CabotFest require a big, coordinated community effort which brings tourist dollars to our city, create goodwill, bring visibility, and promote our community. These are wonderful opportunities to get to know new people and expand your customer base.

10 CIVIC MINDEDNESS

You will be a part of a group of business professionals who care about their community, how it works and where it's going. Just by being a member shows your support of these efforts.

"Cabot is Home. This is a phrase that my husband and I base the entirety of our businesses and lifestyles around. The Cabot Chamber of Commerce plays a pivotal role in why so many are able to call Cabot home, and they also play a huge part in the growth that is taking place throughout the community. Whether it's the resources and support they provide small businesses within the community, or the platform they provide for community members to collaborate to work together toward making Cabot a better place, the Chamber is taking the lead in fostering a culture of connection in our community. By celebrating with a new business owner at their ribbon cutting, providing opportunities for networking with other professionals at a Morning Brew or Local Lunch, or learning about other local businesses at Cabot Fest, and every other event in between, our Chamber is creating and fostering a sense of Home here in Cabot through our local businesses."

"The Cabot Chamber is an outstanding organization! They have one of the most active chambers in the state— offering great membership benefits, exciting events and endless marketing opportunities. Your investment is paid back ten-fold if you join and participate."

CABOTCC.ORG

CHAMBER ACTIVITIES

Morning Brew

Morning Brew is a Cabot Chamber of Commerce Networking event. Take one hour out of the month to join us and get acquainted or reacquainted with Chamber Member Businesses!

Youth Leadership Council

Youth Leadership Council is to nurture high school students in an interactive environment providing skills they can take back to their schools and implement in daily activities, helping them to become effective, knowledgeable, and skilled leaders in their community.

Golf Tournament

The Cabot Chamber of Commerce golf tournament provides the opportunity for local businesses to build positive relationships within the business community and reward employees with a day out of the office. In addition to playing

in the tournament, local businesses participate as hole sponsors, meal sponsors, raffle prize donors, and volunteers. Event includes a lunch and social hour. If you're not a golfer but want to contribute to the success of our golf event, please consider these options: volunteering on the big day, sponsoring, or donating raffle prizes.

Cabotfest, now in its 44th year, held the second weekend in October. It attracts thousands from all over our great state. Please join us for a fun day of music, food, and entertainment.

New Teacher Luncheon

Prior to starting school every year, Cabot Chamber businesses sponsor a luncheon for our new teachers to the Cabot School District. The Cabot Chamber of Commerce and participating chamber businesses are fortunate to get to spend time with new teachers across our district and help familiarize them with the city of Cabot.

Membership Cookout

Our annual membership appreciation cookout is held in March. We treat our members to a free lunch. It's a great event filled with food, fun, and networking.

#WhyNotCABOT

On behalf of the Cabot Chamber of Commerce, I would like to personally welcome you to our wonderful town. Cabot is an outstanding place to live, work and grow a business. The Cabot Chamber of Commerce loves to serve our business community and are extremely honored to work with you. We strive to achieve a standard of excellence with continued partnerships in our community, working to assist businesses in growth, expansion, and retention. I encourage all members and potential members to be involved, show up and be visible. The more you invest in your membership, the more you will benefit from it.

Cabot and the surrounding areas are a fantastic community, full of businesses that support one another. Our goal is to provide businesses and professionals with many opportunities to not only promote your business, but to gain exposure within our community through participating in our events and programs.

We are committed to building stronger relationships with our business community and work hard to help grow partnerships throughout Cabot and the surrounding areas.

My door is always open if you have any questions, suggestions or just want to stop by to say hello. Let the Cabot Chamber work for you!

Sincerely,
Gina Jones, President/CEO, Cabot Chamber of Commerce

Easter Scavenger Hunt

Due to Covid-19 we have had to get creative with some no contact events. Hence the Easter Egg Selfie Scavenger Hunt was created. A fun day to highlight local business, take selfies, and of course, win prizes. Such a well-received event it has been added to our annual event list.

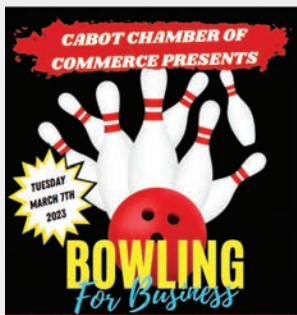

Joint Chamber Luncheon

Two chambers come together to network and share information that is beneficial to all businesses. Double the chambers, double the connections.

Honor Graduate Luncheon

The Cabot Chamber of Commerce is honored to serve lunch and present honor graduate certificates to over 200 Honor Graduates from the Cabot School District. The luncheon is held every April.

Bowling for Business

A different twist to networking by encouraging business leaders to have fun while meeting new people and establishing relationships. This popular event sells out all 32 lanes each year. This is normally held in March and we hope to add one in the Fall.

Local Lunch

Local Lunch is a Cabot Chamber of Commerce networking event. Take one hour out of the month to join us at one of our local member restaurants and get acquainted or reacquainted with Chamber members! Occurs the last Thursday of each month.

Ice Cream Social

Everyone's Favorite!
Just an old-fashioned gathering where home-made ice cream is the main attraction. Bragging rights and trophies for the category winners. It's fun for the whole family!

HOSPITALS • CLINICS • SPECIALISTS

ARKANSAS

Unity Health is honored to be the first hospital system in Arkansas to become a member of the **Mayo Clinic Care Network**.

Largest healthcare provider in an eight county area, with hospital locations serving Searcy, Newport and **now open in Jacksonville**.

Providing accessible, comprehensive care to our communities. Accepting **Tricare** and **most major insurances**.

Today's Healthcare in Cabot

...ever-expanding in scope and quality

Cabot has been blessed to have a wealth of health care services available from general practice physicians to dentists, pediatrics, vision care and many more.

Cabot Emergency Hospital is Arkansas's first emergency focused specialty-hospital. Their state-of-the-art facility features no wait times, board-certified emergency physicians, a complete radiology suite, and a dedicated clinical team that provides both inpatient and outpatient services centered around the patient experience. For patients requiring additional care beyond the emergency room, their hospital offers private inpatient suites with all the comfort and amenities of home. Cabot Emergency Hospital is the superior choice for emergent care in Central Arkansas – 24/7, 365 days a year.

Close by in Searcy; Unity Health has long been providing quality medical care to Cabot and the surrounding areas. The health hospital has system of hospitals, clinics, and specialists has locations throughout the region and operates a family practice clinics and a behavioral health clinics facility in Cabot. Through a strong commitment to the Cabot community, Unity Health has purchased 64 acres for future growth and

investment. Unity Health is the first hospital in Arkansas to be accepted into the Mayo Clinic Care Network. Unity Health physicians can consult with the Mayo Clinic experts when appropriate at no additional cost to the patient. Unity Health is proud to be a teaching hospital, operating the second-largest Graduate Medical Education program in the state.

Another exemplary facility is Arkansas Children's Hospital. It is among the largest pediatric hospitals in the United States, serving infants, children, teens, and young adults from birth to age 21. Arkansas Children's provides world-class medical care to children throughout Arkansas.

Other nearby medical facilities are Baptist Medical Center in North Little Rock, St. Vincent Medical Center and the University of Arkansas Medical Sciences Center in Little Rock.

Cabot Education

At the Cabot School District, "It's about KIDS!" As one of the top-rated districts in Arkansas, we strive to ensure the academic and personal success of our students and are committed to not only preparing them for today, but for the future.

The Cabot School District is the seventh largest district in the state with approximately 10,500 students (PK-12 grade) and 18 campuses. The district encompasses most of northwest Lonoke County and includes the cities of Cabot, Austin, and Ward. The district is the heart-beat of this community and is the largest employer in Lonoke County with over 1,500 staff members.

With exceptional test scores, remarkable faculty, and first-class facilities, it is easy to see why so many new families, especially military families, join our district each year. In fact, our schools were the first in Arkansas to be designated Purple Star Schools by the Arkansas Department of Education for their commitment to supporting and serving military families.

The Cabot School District is comprised of nine exceptional elementary schools (K-4), two nationally-

recognized middle schools (5-6), two outstanding junior high schools (7-8), a Freshman Academy that is dedicated solely to 9th graders (9), and a high school that is repeatedly ranked one of the best in the state and in the nation (10-12). Our schools are consistently recognized for academic achievements as well as for supporting the needs of all of our students.

SCAN NOW TO ENROLL!

The banner features a collage of images: a man in a lab coat working on a machine, a woman in a lab coat using a microscope, and a group of people standing in front of the Arkansas State Capitol building. A QR code is located in the bottom right corner.

The Cabot School District is also home to our award-winning conversion charter school (7-12). The Cabot Panther Academy offers a unique blended learning environment and digital school approach. As an alternative to the traditional academic setting, the online curriculum allows students flexibility, to work at their own pace, and in a much smaller learning environment with access to certified educators. Even if you are homeschooling, the Cabot Panther Academy may be the perfect fit for your student. The Cabot Panther Academy also offers a completely virtual option for 7-12 students living in the Cabot School District.

Cabot High School has been designated a School of Innovation for its commitment to transform teaching, learning, and exploring new and creative ways to improve the academic performance of all students. Cabot High School was also named the 2022-2023 7A Central Academic Champions for receiving the highest ACT Aspire scores in every tested area: Math, Reading, English, and Science! For two years in a row, Cabot High School has also been named as one of the Best High Schools in the state and nation by U.S. News & World Report.

Cabot High School also offers one of the best Career and Technical Education programs in the state. Within these 12 programs, agriculture, auto technology, AFJROTC, broadcasting, business, construction, criminal justice, Environmental and Spatial Technology (EAST), engineering, Family and Consumer Sciences (FACS), Jobs for Americas Graduates (JAG), and our medical academy, we offer 23 different pathways and over 85 CTE courses and labs that help prepare students for their future. Students also have the opportunity to choose from more than 160 electives, including our award-winning forensics, debate, theater, dance, stagecraft, choir, and marching band. In fact, the Cabot Marching Band is the largest high school marching band in the state and our Fine Arts program is recognized as one of the best comprehensive programs in the state.

Students also participate in a dynamic athletic program. Cabot athletes compete in the 7A/6A Central Conference, the largest conference in the state. Cabot has 81 teams in 15 competitive fields of sport. It is a tradition for our athletic teams to perform at the highest level and that's proven by the number of conference, state, and national titles our student athletes receive each year.

The Cabot School District also employs five highly experienced athletic trainers. Our Sports Medicine program is nationally-recognized and our athletic trainers' mentor other districts in implementing this curriculum in schools across the state. Cabot is consistently awarded the National Athletic Trainers' Associations "Safe Sports School 1st Team," becoming the first school district in Arkansas to receive this recognition for the third time.

Opportunities at the Cabot School District are endless. Students in all grade levels are challenged daily with exciting curriculum and real-world experiences. Thanks to our stakeholders, this tradition of excellence will continue with the successful passage of our bond in May 2023.

Project Panthers: Building Futures was developed to invest in our students, staff, and community's future by way of a bond proposal rather than a millage increase. Projects funded by the bond officially began in the summer of 2023 and we are well on our way to *Moving Forward!*

The bond provides enhancements that include two brand new Pre-K centers with community safe rooms, installation of inclusive playgrounds with ADA accessibility on our K-6 campuses, updates to our activity facilities, a new multi-use practice pavilion, carpet removal across the district, renovation of the Fine Arts Auditorium, and classroom technology upgrades. The estimated completion date for all projects is the 2025-2026 school year.

Ultimately, all of these projects allow us to continue to provide the best in facilities and education programming for our students and community. It is only through community support that Cabot Public Schools is able to continue to provide high-quality learning experiences for our students.

Our district is also extremely fortunate to have organizations dedicated to helping our students succeed. These include the Cabot Panther Foundation and the Cabot Scholarship Foundation. The Cabot Scholarship Foundation awards more than 100 seniors over \$100,000 in local scholarships each year. This is all made possible thanks to individuals, businesses, and even our own Cabot School District employees who contribute every month out of their own paychecks to benefit these scholarships. The Cabot Panther Foundation also provides numerous scholarships each year and recognizes our students and community

members through programs including Real Proud of Real Panthers, Power Panthers, and Hometown Heroes.

The Cabot School District would not be successful without the commitment of our Cabot School Board, district administration, dedicated teachers, school groups, parental involvement, the local business community, and the city of Cabot. The support from these groups makes the district an excellent choice for parents that desire a great educational experience for their family.

For further information about the Cabot School District, or to take a tour, please visit online at www.cabotschools.org or call the Central Administrative Office at (501) 843-3363.

CITY OF CABOT, ARKANSAS PARKS & REC TOGETHER EVERYONE ACHIEVES MORE

...offering the very best in parks and recreational facilities and programs for all ages, interests and needs.

The hub of Cabot Parks & Recreation is the Veteran's Park Community Center. With heated swimming and therapy pools, basketball courts an indoor walking track, newly updated fitness equipment, racquetball court and a new functional training area - there is something for everyone! There's cardio equipment, fully accessible locker rooms, a wide variety of aerobic and water aerobics classes, personal training as well as many other amenities and programs. Cabot Parks and Recreation facilities, programs and activities have always been a part of the lifestyle Cabot's residents have come to enjoy.

The Cabot Event Center is directly adjacent to the Community Center and is designed to fit the needs of any event from lavish weddings, business seminars, training events to professional trade shows and fundraising events. The 9,400 square foot hall can be subdivided into half and quarter rooms and includes a catering kitchen, lobby area, rest rooms and a spacious welcome lobby.

Our two most popular spots during the warmer months are the Cabot Sports Plex and the Cabot Aquatic Park.

The Cabot Sports Plex features nine fully-lit baseball fields with two fields recently updated to turf fields and includes batting tunnels, pavilions, a concession plaza and a state-of-the-art playground. There are also two fully-lit football fields complete with a concession building and plenty of parking for the entire family to come out and support your team!

The Cabot Aquatic Park is a perfect spot to spend the warm summer days and offers attractions for all ages. Whether you want to experience the thrill of the water slides, the excitement of the play pool or relax in the lazy river, there is something for everyone. With a full-service

concession stand, locker rooms and a number of party rental areas, the Complex has become a Cabot favorite as well as surround areas!

The various Cabot parks are a great for gathering, playing and spending time with your loved ones. In addition, we opened our first all-inclusive playground at the Richie Road Park and it has quickly become one of our most visited parks. With 28 play elements, children at all ability levels can play together. The park also includes a baseball complex, covered pavilions and a skate park.

The Community Pond Park features a stocked fishing pond, walking trail, pavilions and an 18-hole disc golf course. The Richie Road Park features two covered pavilions, a large playground and three lighted baseball fields. Fairlen Ward Memorial Park includes a playground area, walking path and single-family pavilion. The Allman/Bevis Sports Complex has six softball fields and four of them have recently been updated to turf fields, a walking trail and playgrounds and pavilions. Cabot also offers a new dog park that opened in 2019 and has both small and large dog areas.

Make plans to join us for our most loved community events as well! In July we host our Annual 4th of July Celebration and in December we host Cabot's Celebrate the Season. Our 4th of July Celebration is a free event that is fun for the entire family and includes live music, great food, face painting, balloon animals, foam pit, and fun and games. The grand finale of the annual event is a remarkable firework display!

Cabot's Celebrate the Season is a large vendor shopping event held on the first Saturday in December with unique vendors from across the state! This event is also free with the donation of three non-perishable food items. The items are donated to Cabot Public Schools to send home with children in need over the Christmas break holiday. Check out our Community Events page online and follow us on social media!

For more information, including current fitness classes offered at the Community Center and sports league contact information, contact Cabot Parks & Recreation at (501) 605-1506 or follow us on Facebook, Twitter, Instagram, or visit www.cabotparks.com.

Little Rock Air Force Base

The men and women who serve at Little Rock Air Force Base have come to enjoy all that Cabot has to offer. The Little Rock AFB Community Council has played a big part in that success.

Located just eight miles north of the base, Cabot's appeal to the men and women stationed at the base include the city's numerous established neighborhoods, hometown atmosphere and the award-winning Cabot School District, one of Arkansas' highest ranked school districts.

Nearly 20% of active-duty members at Little Rock AFB reside in Cabot along with more than 30% of civil service employees at the base.

One of the reasons for the close relationship is the LRAFB Community Council, which was formed to assist local governments and citizens to solve problems of mutual interest and to provide continuity in working with local governments.

The LRAFB Community Council has won the Air Education and Training Command's (AETC) prestigious Altus Award for being the best Community Support Group of an AETC wing.

Overall, Team Little Rock has also won two other awards as Air Mobility Command's Abilene Award winner for Best Community Support and were also recognized as a "Great American Defense Community" by the Association of Defense Communities.

The base itself encompasses 6,100 acres and includes more than 50 aircraft, making it home to a significant percentage of the U.S. Air Force's C-130 enterprise. Nearly 8,000 active-duty, Air National Guard, Reserve, and civilian members work on or around the base. An estimated 210,000 veterans live in the state of Arkansas.

Little Rock AFB is known as the "Home of Herk Nation." The base has five major command relationships with three wings: The 19th Airlift Wing (AMC), the 314th Airlift Wing (AETC), the 189th Airlift Wing (Air National Guard), the 913th Airlift Group (Air Force Reserve Command), and the 29th Weapons Squadron. (Air Combat Command)

Additionally, the base is the twelfth largest employer in Arkansas and indirectly created nearly 8,000 jobs on base, with a value of more than \$519 million.

Over the years, the citizens of Cabot and LRAFB have developed a special kinship and all involved are constantly working on ways to make the quality of life here the best available.

The Cabot Chamber of Commerce is proud to have many business members who have served their country. A special salute to these folks!

It is truly an honor to be able to serve as State Senator and represent District 11 and the city of Cabot for the past 5 years. I was raised in Cabot and am a proud graduate of Cabot High School. I chose to raise my family in Cabot and both of my children are graduates of Cabot High School.

The excellent school system here in Cabot prepares students for college and careers after high school. Cabot has always been supportive and welcoming to our friends at the Little Rock Air Base who choose to live and thrive in our community. I have had the privilege of watching Cabot grow from a small farming community to one of the state's most sought after cities to raise a family. It has been great to watch as Cabot's economy continues to grow with new businesses opening all around town. I am excited to see Cabot continue to grow in the future so that our children can continue to enjoy the same safe and friendly environment in the future that we enjoy today.

Senator
Ricky Hill
Majority Whip
District 11

As I drive around our community, I continue to see great things happening for our citizens. Cabot is definitely on the cusp of becoming the premier city to live, work and raise a family in Central Arkansas. I am so proud of the progress and opportunities that are taking place in Cabot, America!

To say that I am honored to serve you as your State Representative would be an understatement. It gives me great honor to walk the halls of your State Capitol and for colleagues to know how wonderful our community is in the 68th district.

Over the course of the last year, I have had the privilege to work with many constituents, assisting in their business and personal needs. Being able to assist a constituent from a position of frustration to a sense of relief is quite the honor. Thank you for entrusting me with your issues and allowing me to navigate the system to better your lives.

During the recent 94th General Assembly, we made great strides in tax reform, growth in affordable healthcare for all Arkansans, broadband expansion, criminal justice reform, tax reduction for our veterans and active military, and raising teacher compensation while cutting their health insurance costs and improving their retirement benefits.

While we work through the interim and looking towards the 95th General Assembly, I will continue to work to make life better for all Cabotians and Arkansans. Our community is thriving and we will carry this momentum to the halls of the Capitol for the continued growth of new jobs, new housing and new opportunities.

Kindest regards and always at your service,

State Representative
Brian S. Evans
District #68

Brian.Evans@ArkansasHouse.org

A PLACE YOUR BUSINESS CAN CALL HOME

Prime Location just 30 minutes away from the State's Capital, Cabot provides all the resources of the metropolitan area while retaining the charm of a small town.

Pro-business city government, attractive incentive packages, and progressive city leadership make Cabot *Open for Business*.

Thriving Community, vibrant quality of life, and an exceptional school district is the reason Cabot is one of the fastest growing areas in Arkansas.

Cabot at a Glance

Location

Cabot is located in Lonoke County 20 miles northeast of Little Rock, the state's capital city and eight miles north of the Little Rock Air Force Base. Its location on US Highway 67/167, a four-lane divided interstate-quality highway, provides easy access from both north and south. US Highway 67-167 feeds into major commercial routes including Interstates I-40, I-30, I-430 and I-440.

City and County Taxes

Property Tax: The state of Arkansas does not have a property tax. However, Arkansas cities and counties do collect a property tax, which is the principal source of revenue used to fund the states' public school districts. The tax is calculated based on 20% of the fair market value of real and personal property and the average annual value of merchants stocks and/or manufacturers inventories. The millage rate established by individual school districts is used to compute the amount of the tax.

For information regarding water & sewer service in Cabot, call our office at 501-843-4654 or visit our website at www.cabotwaterworks.com.
