The Heart of Cabot...

With its convenient location, the City of Cabot is just 30 minutes away from the State's Capital. This provides the community with access to all of the resources in a major metropolitan area while retaining the charm of a small town. Steeped in history, the City strategically balances the revitalization of our historic downtown with the innovation of technology for the future. A thriving business community, exceptional school district, vibrant quality of life and a progressive city leadership continues to make Cabot one of the fastest-growing cities in Arkansas. With this growth, the City has been proactive in cultivating residential areas, developing commercial sites, and investing in community development. This economic impact has made the City of Cabot competitive in expanding existing companies and attracting new businesses. Make Cabot your home for your business and your family!

"The greatness of a community is most accurately measured by the compassionate actions of its members." - Coretta Scott King

101 NORTH SECOND STREET
CABOT, ARKANSAS 72023
WWW.CABOTAR.GOV

Welcome to Cabot. We are thrilled that you have chosen Cabot as your new place to call home. We have wonderful people, successful schools, and a growing economy that we are proud for you to be part of.

A devastating tornado that went through the center of town in 1976 redefined Cabot and caused a total rebuild of our 100-year old community. New housing, a new senior service center and many businesses have opened and flourished since the tornado of 1976. With the ending 2020 Census, Cabot has a population of 26,569 increasing in size since the 1970's and growing every year.

We are home of the Cabot Panthers. Cabot Public School District has 17 schools and geographically, is the 8th largest school system in the state of Arkansas. Offering many diverse programs to meet the needs of our students, the Cabot Public School District currently offers 15 sports consisting of 81 teams. We are proud of the many state championships and top honors that our students have accomplished over the years. Cabot offers a gifted and talented program and advanced placement courses to help students reach their highest potential. The school system has a wonderful special education department and pre-k program. As a Cabot Panther alumnus, I am very proud of the success and growth of our school system! GO PANTHERS!!!

We are very thankful for the many churches and civic organizations that support our community. I encourage you to visit any of our wonderful churches until you find one to call home. Our civic organizations offer many volunteer opportunities for all ages and is a way for you to become familiar with our community.

We continue to work hard to bring more economic development by engaging with our existing businesses to expand job growth while attracting new businesses to our area. We are continually making improvements and have big plans for the future of Cabot. #Cabot2025

In 2021, we asked the voters in the summer to bring our infrastructure into the 21st century. Cabot's 100 Million Dollar Bond Issue passed by over 80% by the voters. Projects we are currently working on in the city includes: A Community Food Pantry, Road Overlays, Drainage Improvements, Broadband Internet, Community Multiplex, new Animal Services Building, Police and Fire Training Facility, Internet Office, and new Police & Fire Vehicles.

I am thrilled for you to be a part of the excitement that the future holds for our community. Get plugged in. Get involved. After all, this is your HOME.

Thank you for choosing Cabot! Welcome home, my friend!

Yours truly,

Mayor Ken Kincade

10 REASONS

TO JOIN THE

Chamber of Commerce

1 CONNECTIVITY

We initiate more business-to-business commerce, more opportunities for networking and connecting local professionals than available from regional organizations. The mission of the Chamber is to expand your contact list and generate more business activity for you through member connections.

2 NETWORKING

Make face-to-face connections and enhance your presence in the community by serving on a committee, attending or sponsoring a chamber event. The Cabot Chamber of Commerce hosts monthly and annual events for its members to meet and share information about your products and services.

3 CREDIBILITY

Research points out that consumers are more likely to do business with a company if the company is a member of their local chamber of commerce. You increase the positive perception among customers and businesses when you are identified as a member of the Cabot Chamber of Commerce.

4 ADVOCACY

We are the voice of businesses: advocating for businesses at the local, state, and federal levels of government.

5 LEADERSHIP

Laying the foundation for our future. Providing members with the tools and knowledge needed to take on leadership roles.

6 VISIBILITY

We assist businesses with an online presence, Chamber emails, opportunities to get your name known through events with sponsorship and advertising, Local Lunches, Morning Brews, and many other Chamber hosted events that you can attend as members.

7 IN-THE-KNOW

We keep you connected and up to date with new member businesses, grand openings, Chamber events, community events and business-to-business events. We want to create an environment for you to stay closely tied to the community you're investing in.

8 REFERRALS

Every day, your local chamber receives calls from individuals and businesses looking for potential service providers and area information. If you're a member, you're referred!

9 COMMUNITY EVENTS

Major events like CabotFest require a big, coordinated community effort which brings tourist dollars to our city, create goodwill, bring visibility, and promote our community. These are wonderful opportunities to get to know new people and expand your customer base.

10 CIVIC MINDEDNESS

You will be a part of a group of business professionals who care about their community, how it works and where it's going. Just by being a member shows your support of these efforts.

CABOTCC.ORG

Cabot is proud to offer our seniors many opportunities to stay active and engaged in their community. We have a wide range of senior services and resources.

The Peak Center

501-843-2196

Today's active adults over 50 are redefining quality of life and healthy aging. The Peak Center of Cabot will continue to be the focal point for area older adults who depend on us to support their independence, provide them with a sense of purpose. Activities include exercise classes, ceramics, quilting, trips to grocery store and the Peak Boutique, along with daily meals available.

Meals on Wheels

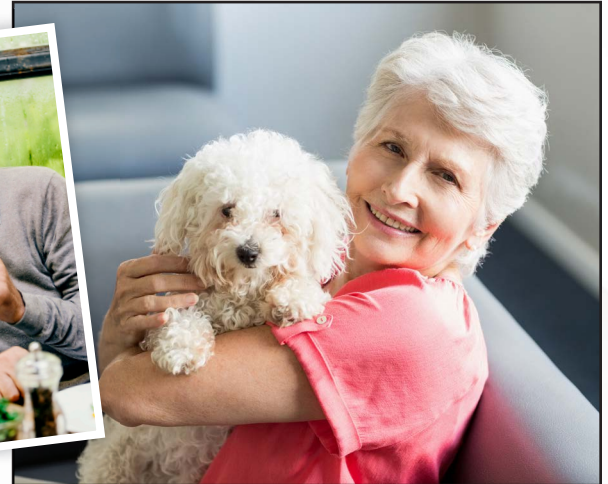

501-676-6971

What we offer is simple, yet extremely important: well-rounded meals delivered to your home along with a visit from our friendly staff or volunteer. When you sign up for Meals on Wheels, you'll get the healthy foods you want with convenient delivery that allow you to live independently in your own home.

Community Center

501-605-1506

Offers customized classes designed exclusively for older adults who want to improve their strength, flexibility, balance, and endurance. A specially trained Senior Advisor at our center is here to help guide you through your goals.

Today's Healthcare in Cabot

...ever-expanding in scope and quality

Cabot has been blessed to have a wealth of health care services available from general practice physicians to dentists, pediatrics, vision care and many more.

Cabot Emergency Hospital is Arkansas's first emergency focused specialty-hospital. Their state-of-the-art facility features no wait times, board-certified emergency physicians, a complete radiology suite, and a dedicated clinical team that provides both inpatient and outpatient services centered around the patient experience. For patients requiring additional care beyond the emergency room, their hospital offers private inpatient suites with all the comfort and amenities of home. Cabot Emergency Hospital is the superior choice for emergent care in Central Arkansas – 24/7, 365 days a year.

Close by in Searcy; Unity Health has long been providing quality medical care to Cabot and the surrounding areas. The health hospital has system of hospitals, clinics, and specialists has locations throughout the region and operates a family practice clinics and a behavioral health clinics facility in Cabot. Through a strong commitment to the Cabot community, Unity Health has purchased 64 acres for future growth and investment. Unity Health is the first hospital in Arkansas to be accepted into the Mayo Clinic Care Network. Unity Health physicians can consult with the Mayo Clinic experts when appropriate at no additional cost to the patient. Unity Health is proud to be a teaching hospital, operating the second-largest Graduate Medical Education program in the state.

Another exemplary facility is Arkansas Children's Hospital. It is among the largest pediatric hospitals in the United States, serving infants, children, teens, and young adults from birth to age 21. Arkansas Children's provides world-class medical care to children throughout Arkansas.

Other nearby medical facilities are Baptist Medical Center in North Little Rock, St. Vincent Medical Center and the University of Arkansas Medical Sciences Center in Little Rock.

What it means to be a Mayo Clinic Care Network member

Your **Unity Health physician** can collaborate with Mayo Clinic specialists on your behalf. This helps ensure you receive the care you need, close to home.

Mayo Clinic Care Network members have special access to resources that include eConsults, eBoards, AskMayoExpert, Inpatient Telephone Consults and Patient Education materials.

For more information, please visit Unity-Health.org/mayo.

Testimonials

As an owner of two small businesses in Cabot, I can truly say the Cabot Chamber of Commerce cares about its people and community! They want to see small businesses succeed and grow and they will do whatever it takes to help! With events like The Morning Brew, Local Lunch, Easter Selfie Scavenger Hunt, Great Outdoors Golf Tourneys, Bowling for Business, Holiday Open House and the many Ribbon Cuttings – the team is always helping drive awareness to what all the small and family owned businesses have to offer the citizens of Cabot! We have such a diverse community centered around our top-ranked school system and The Chamber gives back with events like the New Teacher Luncheon. Cabot's diversity includes its many military families and The Chamber embraces them throughout the year with luncheons and dinners for deployed spouses/families. Being a member of The Cabot Chamber of Commerce has opened my eyes and heart to serving as Board Member in a community whose future has never looked brighter!

Traci Conners

Owner
The Popcorn Spot / The Escape Spot

Relationships are the foundation of today's business world. Before we ever opened the doors of Cabot Emergency Hospital, we recognized the importance of joining the Cabot Chamber of Commerce. The brand exposure, networking, and continual support we have received since cannot be overstated. Because communication and connection are at the heart of what we do, we greatly appreciate that the Chamber regularly provides us these types of opportunities. Whether learning about another business over coffee at Morning Brew, connecting with other professionals at Local Lunch, or engaging with local residents at our CabotFest booth – the Chamber continually helps us communicate with a broad spectrum of our stakeholders. In fact, some of our local partnerships and friendships have formed as a direct result of our chamber membership and participation. Though the Chamber's primary business may be promoting commerce, while doing so, they are also helping form a better community.

Nathan Jeffers

Director of Marketing and Business Development
Cabot Emergency Hospital

DELANO
CONSTRUCTION

From concept to creation, making your vision come true is what we do!

Cabot, AR (501)377-1057

The advertisement features a background image of a modern bathroom with grey cabinetry and a large mirror. Overlaid on this is a white square with a blue border containing the Delano Construction logo, which consists of a stylized house outline above the company name. Below the logo is a white box with a blue border containing the slogan. At the bottom is another white box with a blue border containing the contact information. To the right of the logo box is a wireframe architectural drawing of a shower area.

New Teacher Luncheon

Prior to starting school every year, Cabot Chamber businesses sponsor a luncheon for our new teachers to the Cabot School District. The Cabot Chamber of Commerce and participating chamber businesses are fortunate to get to spend time with new teachers across our district and help familiarize them with the city of Cabot.

CABOTFEST

Cabotfest, now in its 44th year, held the second weekend in October. It attracts thousands from all over our great state. Please join us for a fun day of music, food, and entertainment.

Youth Leadership Council

Youth Leadership Council is to nurture high school students in an interactive environment providing skills they can take back to their schools and implement in daily activities, helping them to become effective, knowledgeable, and skilled leaders in their community.

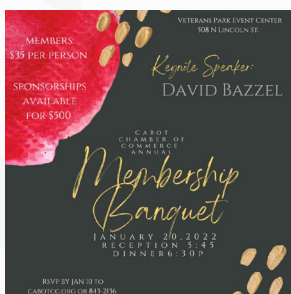

LRAFB Deployed Spouses Dinner

The LRAFB deployed spouses dinners is a great way for Cabot Chamber Members to show support of our military families with deployed spouses. An evening full of food, entertainment and prizes.

Cabot Christmas Open House

SHOP Cabot Chamber of Commerce participating businesses. SPEND at Cabot Chamber of Commerce participating businesses and WIN prizes from your favorite local retailers. This event is to promote our hometown small businesses.

Annual Banquet

This is a great time to review the previous year's accomplishments and share the goals of the chamber for the coming year. Great entertainment is always provided. With over 400 plus businesses and organizations in attendance, it is a perfect event to reconnect and build new relationships.

Easter Scavenger Hunt

Due to Covid-19 we have had to get creative with some no contact events. Hence the Easter Egg Selfie Scavenger Hunt was created. A fun day to highlight local business, take selfies, and of course, win prizes. Such a well-received event it has been added to our annual event list.

Joint Membership Luncheon

Two chambers come together to network and share information that is beneficial to all businesses. Double the chambers, double the connections.

Honor Graduate Luncheon

The Cabot Chamber of Commerce is honored to serve lunch and present honor graduate certificates to over 200 Honor Graduates from the Cabot School District. The luncheon is held every April.

Bowling for Business

A different twist to networking by encouraging business leaders to have fun while meeting new people and establishing relationships. This popular event sells out all 32 lanes each year. This is normally held in March and we hope to add one in the Fall.

Membership Cookout

Our annual membership appreciation cookout is held in March. We treat our members to a free lunch. It's a great event filled with food, fun, and networking.

Everyone's Favorite!

Just an old-fashioned gathering where home-made ice cream is the main attraction. Bragging rights and trophies for the category winners. It's fun for the whole family!

Cabot Fest

FREE ADMISSION

2ND WEEKEND IN OCTOBER

CITY OF CABOT, ARKANSAS
PARKS & REC
 TOGETHER EVERYONE ACHIEVES MORE

...offering the very best in parks and recreational facilities and programs for all ages, interests and needs.

The hub of Cabot Parks & Recreation is the Veteran's Park Community Center. With heated swimming and therapy pools, basketball courts an indoor walking track, newly updated fitness equipment, racquetball court and a new functional training area - there is something for everyone! There's cardio equipment, fully accessible locker rooms, a wide variety of aerobic and water aerobics classes, personal training as well as many other amenities and programs. Cabot Parks and Recreation facilities, programs and activities have always been a part of the lifestyle Cabot's residents have come to enjoy.

The Cabot Event Center is directly adjacent to the Community Center and is designed to fit the needs of any event from lavish weddings, business seminars, training events to professional trade shows and fundraising events. The 9,400 square foot hall can be subdivided into half and quarter rooms and includes a catering kitchen, lobby area, rest rooms and a spacious welcome lobby.

Our two most popular spots during the warmer months are the Cabot Sports Plex and the Cabot Aquatic Park.

The Cabot Sports Plex features nine fully-lit baseball fields with two fields recently updated to turf fields and includes batting tunnels, pavilions, a concession plaza and a state-of-the-art playground. There are also two fully-lit football fields complete with a concession building and plenty of parking for the entire family to come out and support your team!

The Cabot Aquatic Park is a perfect spot to spend the warm summer days and offers attractions for all ages. Whether you want to experience the thrill of the water slides, the excitement of the play pool or relax in the lazy river, there is something for everyone. With a full-service concession stand, locker rooms and a number of party rental areas, the Complex has become a Cabot favorite as well as surround areas!

The various Cabot parks are a great for gathering, playing and spending time with your loved ones. In addition, we opened our first all-inclusive playground at the Richie Road Park and it has quickly become one of our most visited parks. With 28 play elements, children at all ability levels can play together. The park also includes a baseball complex, covered pavilions and a skate park.

The Community Pond Park features a stocked fishing pond, walking trail, pavilions and an 18-hole disc golf course. The Richie Road Park features two covered pavilions, a large playground and three lighted baseball fields. Fairlen Ward Memorial Park includes a playground area, walking path and single-family pavilion. The Allman/Bevis Sports Complex has six softball fields and four of them have recently been updated to turf fields, a walking trail and playgrounds and pavilions. Cabot also offers a new dog park that opened in 2019 and has both small and large dog areas.

Make plans to join us for our most loved community events as well! In July we host our Annual 4th of July Celebration and in December we host Cabot's Celebrate the Season. Our 4th of July Celebration is a free event that is fun for the entire family and includes live music, great food, face painting, balloon animals, foam pit, and fun and games. The grand finale of the annual event is a remarkable firework display!

Cabot's Celebrate the Season is a large vendor shopping event held on the first Saturday in December with unique vendors from across the state! This event is also free with the donation of three non-perishable food items. The items are donated to Cabot Public Schools to send home with children in need over the Christmas break holiday. Check out our Community Events page online and follow us on social media!

For more information, including current fitness classes offered at the Community Center and sports league contact information, contact Cabot Parks & Recreation at (501) 605-1506 or follow us on Facebook, Twitter, Instagram, or visit www.cabotparks.com.

It's about
KIDS
 Cabot Public Schools

Cabot Education

At the Cabot School District, "It's about KIDS!" As one of the most sought-after and top-rated school districts in Arkansas, we strive to ensure the academic and personal success of our students and are committed to not only preparing them for today, but for the future.

The Cabot School District is the seventh largest district in the state with more than 10,500 students (PK-12 grade), and 18 campuses. The district encompasses much of northwest Lonoke County and includes the cities of Cabot, Austin, and Ward. The district is the heartbeat of this family-oriented community. The community's dedication to education is the primary reason why Cabot is one of the fastest growing cities in Arkansas.

The district is the largest employer in Lonoke County employing approximately 1,484 staff with 795 certified and 689 classified. From the certified staff, nearly half hold advanced degrees and 59 are National Board Certified.

The Cabot School District is comprised of nine exceptional elementary schools (K-4), two Arkansas Diamond Middle schools that have also been designated Capturing Kids Heart's National Showcase Schools (5-6), two outstanding junior high schools (7-8), a Freshman Academy that is dedicated solely to 9th graders (9), and a high school that is consistently ranked one of the best in the state and in the nation (10-12).

The Cabot School District is also home to our award-winning conversion charter school (7-12). Formerly known

as the Academic Center of Excellence or ACE, the Cabot Panther Academy offers a unique blended learning environment and digital school approach. As an alternative to the traditional academic setting, the online

curriculum allows students flexibility, to work at their own pace, and in a much smaller learning environment with access to certified educators. Even if you are homeschooling, the Cabot Panther Academy may be the perfect fit for your student. The Cabot Panther Academy also offers a completely virtual option for 7-12 students living in the Cabot School District.

During the 2021-2022 school year, the Arkansas Department of Elementary and Secondary Education (DESE) honored the Cabot Panther Academy as a School on the Move Towards Excellence for increasing their overall ESSA (Every Students Succeeds Act) school index. The Cabot Panther Academy was one of only two schools in the state to increase their overall ESSA score by more than 10 points!

Our students, teachers, and staff are consistently recognized for their hard work in the classroom. Every year, our schools are awarded hundreds of thousands of dollars through the Arkansas School Recognition Program for achieving high student performance, high student academic growth, and graduation rates. So far, the Cabot School District has received more than \$1.6 million dollars in financial awards.

With exceptional test scores and first-class faculty and facilities, it is easy to see why so many new families, especially military families, join our district each year. Our commitment to supporting and serving military children and their families has earned Cabot Public Schools the honor of being the 1st Purple Star School District in Arkansas. Our schools were also the 1st to be designated Purple Star Schools!

Cabot High School, which has been named two years in a row as one of the Best High Schools in the state and nation by U.S. News & World Report, offers a vast array of career and technical courses. Within our 12 programs which include, agriculture, auto technology, AFJROTC, broadcasting, business, construction, criminal justice, Environmental and Spatial Technology (EAST), engineering, Family and Consumer Sciences (FACS), Jobs for Americas Graduates (JAG), and our medical academy, we offer 23 different pathways and over 85 CTE courses and labs that help prepare students for their future.

Students also have the opportunity to choose from more than 160 electives, including our award-winning forensics,

Cabot Public Schools is also home to the 2022 Arkansas Teacher of the Year, Jessica Saum! In fact, Mrs. Saum is a military spouse, mom, and special education teacher at Stagecoach Elementary. As Arkansas Teacher of the Year, Mrs. Saum plans to bring awareness to military students and families as well as the special education field.

The opportunities at the Cabot School District are endless. Students in all grade levels are challenged daily with exciting curriculum and real-world experiences. We are a one-to-one school district. Students are provided their own Chromebook to use in the classroom and to take home.

debate, theater, dance, stagecraft, choir, and marching band. In fact, Cabot's Fine Arts program is recognized as one of the best comprehensive programs in the state.

Students also participate in a dynamic athletic program. Cabot athletes compete in the 7A/6A Central Conference, the largest conference in the state. Cabot has 81 teams in 15 competitive fields of sport. It is a tradition for our athletic teams to perform at the highest level and that's proven by the number of conference state, and national titles our student athletes receive each year.

The Cabot School District also employs five highly experienced athletic trainers. Our Sports Medicine program is nationally-recognized and our athletic trainers' mentor other districts in implementing this curriculum in schools across the state. Cabot is consistently awarded the National Athletic Trainers' Associations "Safe Sports School 1st Team," becoming the first school district in Arkansas to receive this recognition for the third time.

Our district is extremely fortunate to have organizations dedicated to helping our students succeed. These include the Cabot Panther Foundation and the Cabot Scholarship Foundation. The Cabot Scholarship Foundation awards more than 100 seniors over \$100,000 in local scholarships each year. This is all made possible thanks to individuals, businesses, and even our own Cabot School District employees who contribute every month out of their own paychecks to benefit these scholarships. The Cabot Panther Foundation also provides numerous scholarships each year

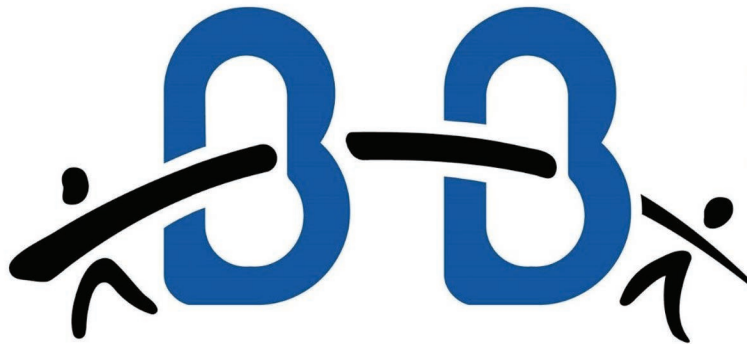

and recognizes our students and community members through programs including Real Proud of Real Panthers, Power Panthers, and Hometown Heroes.

The Cabot School District could not be successful without the commitment of our Cabot School board, district administration, dedicated teachers, school groups, parental involvement, the local business community, and the city of Cabot. The support from these groups makes the district an excellent choice for parents that desire a great educational experience for their family.

For further information about Cabot Public Schools, or to take a tour, please visit online at www.cabotschools.org or call the Central Administrative Office at (501) 843-3363.

Little Rock Air Force Base

The men and women who serve at the Little Rock Air Force Base have come to enjoy all that Cabot has to offer. The Base's Community Council has played a big part in that success.

Located just eight miles north of the base, Cabot's appeal to the men and women stationed at the base include the city's numerous established neighborhoods, hometown atmosphere and the award-winning Cabot School District, one of Arkansas' highest ranked school districts.

Nearly 20% and active duty members reside in Cabot as do more than 30% of civil service employees.

One of the reasons for the close relationship is the Air Force Base Community Council which was formed to assist local governments and the citizenry to solve problems of mutual interest and to provide continuity in working with local governments.

The LRAFB Community Council has won the Air Education and Training Command's (AETC) prestigious ALTUS Award for being the best Community Support Group of an AETC wing. This is possibly the first time a tenant wing has won it rather than a host wing.

The Support Team Little Rock has also won two other awards this year- AMC's Abilene Award for Best Community Support and also is recognized as a "Great American Defense Community" by the Association of Defense Communities.

The base itself encompasses 6,100 acres and includes more than 50 aircraft, making it home to significant percentage of the total U.S. Air Force C-130's. More than 7,000 active-duty, Air National Guard, Reserve and civilian members, and approximately 5,000 family members live and work on or around the base. An estimated 57,000 retirees live in the region.

Little Rock Air Force Base is known as the "Home of the C-130 Combat Airlift." The base has five major command relationships with three wings: The 19th Airlift Wing (Air Mobility Command), the 314th Airlift Wing (Air Education and Training Command), the 189th Airlift Wing (Air National Guard), the 913th Airlift Group (Air Force Reserve Command) and the 29th Weapons Squadron (Air Combat Command). \$596 million.

Additionally, the base is the seventh largest employer in Arkansas and indirectly created about 2,850 jobs, with a value of more than \$308 million.

Over the years, the citizens of Cabot and the Air Force Base have developed a special kinship and all involved are constantly working on ways to make the quality of life here the best available.

It is truly an honor to represent District 29 and the city of Cabot as State Senator. I am a proud graduate of Cabot High School and chose to raise my family in Cabot. Both of my children are graduates of Cabot High School where the excellent school system prepared them for college and careers after high school. I have had the privilege to watch the city of Cabot grow with local business' and a booming economy over the years, as well as being a welcoming community for our friends at the Little Rock Air Base to live and thrive in. I am excited to see this growth continue in the future so that our children and our children's children can enjoy the same safe and friendly environment in the future that we enjoy today.

Senator
Ricky Hill
District #29

Cabot, and all of Arkansas, continue to emerge from one of the most challenging times in our history. Cabot has always been a community of survivors, over comers and over achievers. The current nature of our citizens is no different.

I continue to be honored to serve each of you as your State Representative. Being the voice of 32,000 constituents at our State Capitol is an humbling experience. Thank you for continuing to place your trust in me.

Your participation as constituents, has been and, will continue to be vital in the process of moving our district and state forward. The Capitol is the House of the People. I enjoy your presence and always welcome your visits. As always, your calls and emails are important and are necessary for me to work on your concerns and ideas.

For the 94th General Assembly, big items of focus will be the continuation of tax cuts, education reform. growth in healthcare availability and broadband expansion. With these issues, I will continue to work to make life better for all Cabotians and Arkansans.

The pandemic of 2020-2022 made life extremely challenging for all of us. We have learned to adapt and overcome. As we now move forward, I believe we are now stronger in our personal and professional lives. Our community is now thriving with the growth of new businesses, new housing and new job opportunities.

Together, we can and will make Cabot a place to call home, raise our families and prosper together.

Kindest regards and always at your service,

State Representative
Brian S. Evans

CITY AND COUNTY TAXES

Property Tax: The state of Arkansas does not have a property tax. However, Arkansas cities and counties do collect a property tax, which is the principal source of revenue used to fund the states' public school districts. The tax is calculated based on 20% of the fair market value of real and personal property and the average annual value of merchants stocks and/or manufacturers inventories. The millage rate established by individual school districts is used to compute the amount of the tax.

Cabot WaterWorks has secured adequate water supply through most of the twenty first century. Cabot recently completed construction of a 9 MGD pipeline to Central Arkansas Water. We have additional long term capacity planned from Greens Ferry and DeGray lakes. Our current ground water well fields will be retained for a long term emergency backup supply.

Cabot WaterWorks has a new state-of-the-art wastewater treatment facility with capacity well into the twenty first century. Cabot WaterWorks maintains strategic water and wastewater master plans to accommodate immediate and long term growth.

Additional information to be obtained at 501.843.4654.

The easiest move you can make.

So, you've finally made it to Cabot. Now it's time to unload boxes and get your home in order before really exploring. We invite you to stop by our many locations and let us show you why moving to First Security is a move to bank better. We're an Arkansas bank staffed by Cabot bankers you will know and trust, providing better strength, better stability and better service. It's what Bank Better is all about.

MOVING TO FIRST SECURITY BANK IS EASY!

Get started today by visiting any of our convenient locations or accessing our online **Turn Teal Kit** at www.fsbank.com.
